Thank-you for taking the time to visit my store and download one of my products. All of my products have been used in my classroom with great success. I sincerely hope you find this product a useful tool for your classroom.

I have a large collection of products for your SMARTboard, including language lessons, math lessons, math games, music lessons and mini-units, and many more.

I also have a large collection of language and math resources suitable for grades between 4 and 10.

If you are looking for novel unit ideas, I have an extensive unit plan for Chris Van Allsburg (an inferring unit focussing on six of his books), as well as a novel unit for Joey Pigza Swallowed the Key. I also have bundles of materials to use while studying the reading comprehension strategies, a HUGE 183-page Reading Comprehension Strategy Resource Binder, and a comprehensive 156-page Literary Elements Resource Binder.

Check back often as more products are being added all the time!
